**LEGENDARY FLAVOR**

# THE COOLEST CREAMIEST CAKES

## **PARTY CAKES** (serves 10 to 12)

Let the party begin. Moist chocolate or white cake, topped with creamy chocolate or vanilla frozen custard, completely covered with whipped icing. A true cause for celebration.

## **OREO® COOKIE CAKE** (serves 10 to 12)

Yes, it's just as delicious as it looks. Moist chocolate cake and creamy vanilla frozen custard separated by layers of crumbled Oreos®. Lavishly covered with whipped icing and more Oreos®.

## **REESE'S® CAKE** (serves 10 to 12)

Rich chocolate cake layered with our homemade vanilla frozen custard and crumbled Reese's® cups. Then topped with real peanut butter sauce. Utter perfection.

## **HEATH® BAR CAKE** (serves 10 to 12)

Layer upon layer of sheer decadence. It all starts with moist white cake layered with vanilla frozen custard, crumbled Heath® bars, and our very own caramel and chocolate syrup toppings. Mmmmmmmmm!

## **BANANA SPLIT CAKE** (serves 10 to 12)

How do you improve upon a classic? Well, we start with fresh white and chocolate cake. Then we layer it with fresh banana frozen custard, strawberries, and pineapple, chocolate syrup, butter toasted pecans, and cherries for real a-peel.

## **SHEET CAKES**

**Sizes / Servings:**  
Full sheet - 25 to 30    Half sheet - 12 to 15  
Quarter sheet: 4 to 6    Cake for 2

It's our famous party cake with corners. We give you lots of size options and one constant: Whether you're serving twenty or two, our sheet cake makes it an occasion to remember.

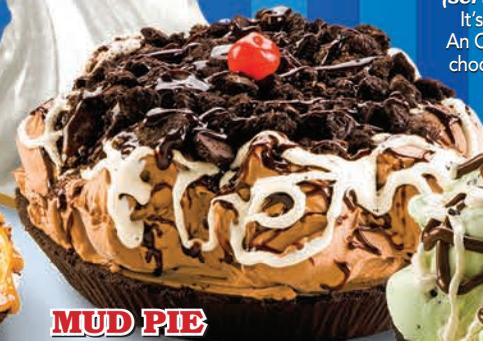

## **TURTLE PIE** (serves 10 to 12)

Slow down and enjoy... an Oreo® cookie crust chock-full of our legendary vanilla frozen custard, topped with rich, thick fudge & caramel toppings, and crunchy butter toasted pecans.

## **PEANUT BUTTER MOUNTAIN PIE** (serves 10 to 12)

Think colossal. Think gianormous. Think an Oreo® cookie crust, piled high with vanilla frozen custard, covered with real peanut butter sauce, and chocolate syrup.

## **MUD PIE** (serves 10 to 12)

Here's the dirt on one of our most popular pies: It's an Oreo® cookie crust filled with creamy chocolate frozen custard, topped with chocolate syrup, marshmallow crème, and Oreos.

## **SNICKERS® PIE** (serves 10 to 12)

It's like a frozen Snickers® bar. Only a thousand times better. An Oreo® cookie crust, brimming with fresh vanilla frozen custard, smothered with fudge, caramel topping, and ground Snickers®.

## **MINT CHOCOLATE CHIP PIE** (serves 10 to 12)

It's enough to make other pies green with envy. An Oreo® cookie crust filled with cool, crisp mint chocolate chip frozen custard, then smothered in rich fudge, drizzled with gooey marshmallow crème, and topped with chocolate curls.
